“What Works Workshops: Improving Student Achievement”

(A Program Detailing Some of the Best Practices in Rhode Island Public Schools)

February 24, 2010

Smithfield High School Media Center

4:00 to 5:30 PM

“K-12 Systemic Leadership/Articulation”

The Smithfield Leadership Team will share its approach to collaboration and support for teaching and learning. The team will explain the steps that have been taken to build a strong leadership team of administrators and teacher-leaders. The team will also discuss the professional development activities that have been done to help develop leadership skills. This presentation will provide some practical proven successful approaches to building successful team leadership in a school district.
