The NEA Rhode Island Children's Fund

The fifth annual NEARI 5k Run/1 Mile Walk will benefit the NEA Rhode Island Children's Fund.

Fund Description: Education professionals spend their lives with children, stimulating their minds, freeing their spirits, serving their needs – reaching out to children in a million ways, day-to-day, year-by-year. Often these professionals are the first to see special situations, when students may need a hot meal, a winter coat, or funds to participate in a class trip.

The National Education Association Rhode Island Executive Committee established the Children's Fund in 1985 to answer these needs. Any member of the organization may apply for anonymous financial assistance to help students in those special situations.

Thousands of children are embraced by the fund each year. The Children's Fund is unique in that 100% of the donations go directly to the children. Not one penny is used for salaries or administrative costs! Thank you for helping with your participation in the 5k Run.

Course Information

- The 5k certified course is located in Goddard Memorial Park, Ives Road, Warwick.
- The start and finish lines are located at the beach.
