NEARI Children's Fund believes public education is a promise that must be kept and that no child in our schools suffers personal embarrassment or discomfort while trying to learn. This includes having the necessary supplies to succeed in our education system.

We honor the Heisler’s memory and their dedication to students by awarding grants in their name to answer students’ needs.

This year, the Classroom Grant Program will disburse up to $500 for each approved grant application.

For details and a link to the grant application please visit our website at www.neari.org/heislergrant. You can also inquire with Val Staples at vstaples@neari.org.
