

**GLSEN**

# RAINBOW LIBRARY CONTEST

## October is LGBTQ+ History Month!

NEARI is celebrating by participating in the GLSEN (Gay, Lesbian and Straight Education Network) Rainbow Library. The Rainbow Library Project is a program that makes available LGBTQ+ affirming K-12 text sets to schools across select states.

**We have four Rainbow Library sets –  
and one could be in your classroom!**

Submit the contest form. If selected, you will receive a full text set in your chosen grade grouping. Learn more by scanning the code or visit: [bit.ly/rainbow-books](https://bit.ly/rainbow-books)

**NEARI supports every person's right to live, work, and thrive no matter our sexual orientation or gender identities—no exceptions.**
